ministry report...

Everyone I speak with concurs they have never seen time go by so quickly. Already we are approaching the fall season and the colors of the beautiful corn fields in our area are telling us the harvest is upon us.

Jesus said, "Say not ye, There are yet four months, and then cometh the harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." (John 4: 35) KJV

Preaching the Gospel, fulfilling the Great Commission, and winning lost souls to Christ is not something optional, but mandatory; it is not secondary, but primary; it is not supplemental, but fundamental. The harvest is what all devoted followers of Christ are to be about because the harvest was and is what Jesus is all about!

There are four things Jesus said about His coming to this planet:

1. "To minister, not be ministered unto" (Matt. 20:28)
2. "To seek and save that which is lost" (Luke 19:10)
3. "To give His life a ransom for many" (Mark 10:45)
4. "To give life and life abundantly" (John 10:10b)

Then his beloved apostle John penned a fifth reason Jesus came to earth:

5. "To destroy all the works of the devil" (1John 3:8b)

There is a frightful comment the prophet Jeremiah made concerning the harvest that should cause all of us grave concern: "**The harvest is past, the summer is ended, and we are not saved.**" (Jeremiah 8:20) In context, he was speaking about the opportunity Israel had for salvation or deliverance from Babylon is past, the winter of judgment is here, and we are not delivered. This was a sad day for Israel and it will be a tragic day for all who procrastinate and fail

to receive the Lord Jesus Christ who alone is the only Savior and way to heaven. That is why we must capture the urgency of heaven to tell the remaining untold millions the good news of the Gospel of our Lord Jesus Christ.

Your faithful partnership of prayers and financial support makes you part of a glorious harvest currently taking place through our many missionaries and national ministers throughout the world. Your seed has left your hand, but not your life! Even during your hours of rest and sleep your seed is working for you! Jesus said, "I sent you to reap that whereon ye bestowed no labor: other men laboured, and ye are entered into their labours. (John 4: 38) KJV What a joy to know the Lord has arranged a place for each of us to be co-laborers together in this vast and rich harvest. Paul describes it this way, "I planted, Apollos watered, but God gave the increase." (1Cor. 3:6)KJV

HARVEST IN CANADA

Recently Donna and I returned from Canada where we had the opportunity to conduct fourteen services in a glorious atmosphere of 'old fashioned

camp meeting'! Night after night the altar was filled with seeking souls, receiving salvation, healing, deliverance and the baptism in the Holy Spirit. The Moose Lake Pentecostal Assemblies Camp Ground is a bit of heaven on earth. Surrounded by a beautiful lake and lovely forests, this 15 acre camp ground is a wonderful place for families to come for fun, fellowship and spiritual enrichment. It brought back so many beautiful memories of the 'camp meeting' days in the early years of our ministry.

Donna and I had this time to share with our dear friends and co-evangelists Tony and Marge Abram. The Abrams have been serving the Lord in full time evangelism for almost a half-a-century. We have known them for more than thirty years and for the past eleven years we have done extensive work together in Russia, Ukraine, India, Japan, Taiwan, South Africa, Zambia, Africa, Namibia, Africa and this coming November Tony will join me for ministry in Guatemala, Central America.

INDIA — MTC Extension School

In the mountains of Waynad, some eight hours drive from our MTC campus in South India, are currently 24 young pastors that have enrolled in our extension continuing education program. These young men have a minimal amount of training and have appealed to us for assistance. As a result, we have set up this extension school.

For approximately \$300.00 per month we can provide the training these young pastors

desperately need to better equip them for a more fruitful ministry of excellence. Please pray for these pastors and ask the Lord what He would have you do to help us help them.

PERSECUTION OF CHRISTIANS ON THE INCREASE

In India several states have passed the 'no conversion law' and the militants are using it to justify their hatred and persecution of local Christians. Many serious atrocities have taken place over the past number of weeks. Pastors and Christian workers have been arrested, beaten, churches and homes destroyed, etc. **In Central Asia, Africa and the Middle-East** Christians are witnessing increased persecution. Please make prayer for the PERSECUTED CHURCH a priority item on your prayer list. GUATEMALA MINISTRY OUTREACH

In November Rev. Tony Abram will join me for ministry in Guatemala. We will minister in services, seminar sessions, and graduation of the students at Living Waters Teaching Bible College located in the mountains of Quetsaltenango. This will be my first time back to Guatemala and Living Waters Teaching since the tragic plane crash and death of our beloved friend and brother, Jim Zirkle. Jim and Marion were my students when I served as Campus Pastor and teacher at Rhema Bible Training School. I had the privilege of being a part of their first trip and introduction to mission work in Guatemala. During the years before his death they built one of the fastest, largest, and most fruitful ministries in Central America. Marion continues to head up that ministry and we are anticipating a glorious move of the Holy Spirit giving us a fruitful harvest.

Please pray for this outreach and my upcoming 2007 outreach to India in January.

It is always a joy and encouragement to hear from you. Your faithful prayers and support mean more than words could ever say. Our prayer for you is that above all things you may prosper and be in health, even as your soul prospers (3 John vs.2)
